

Solventum MedTech OEM

Product clinical data summary

Product Name: Solventum™ Medical Loop Fastener 7334

Effective: October 2008

This product is not intended for wound management but incidental skin contact is possible.

Based on the low potential for any significant skin contact, an evaluation of existing toxicity test data and an assessment of the ingredients,

Low Profile Hook Medical Loop Fastener 7334 is safe for its intended use.

It is the responsibility of our customers to determine final suitability of our products for their application.
